

EXTEND YOUR WARRANTY FOR A FURTHER 2 YEARS with 2 YEARS FREE CALIBRATION OFFER £189 + vat

As a valued customer, we would like to thank you for purchasing your Shoreline refrigerator. You may be aware that your 3 year warranty and calibration is due to expire shortly, or may have already expired.

We trust your Shoreline fridge continues to give you excellent service and will continue to do so over the remaining years of its expected life. We have answered a number of questions from customers at this stage of warranty expiration to help them consider the available options and decide whether to take up an extended Shoreline warranty. We have provided some information which we hope will be of value to you and this is based on over 20 years' experience manufacturing medical refrigerators.

How long will your Shoreline fridge be expected to economically last before replacement?

Dependent upon the care provided, some Shoreline fridges go beyond 10 years, but we use 8 years as an average guide.

Should I take out an extended warranty?

Of course, this decision is yours. Here are some facts to help you decide:

Cost of repairs/calibration -

For replacement parts, the fitted prices are currently:

Door Lock (supply & fit) £ 160 + vat

Internal Fan (supply & fit) £ 160 + vat

Temperature Controller (supply & fit) £ 295 + vat

Annual Calibration: up to £ 70 + vat per visit

How long is the Shoreline extended warranty and how much will it cost?

A 2 year parts & labour warranty including 2 year calibration is currently £ 189 + vat

What can I do to help extend the life of my Shoreline fridge?

Ensure your fridge is positioned in a well ventilated room, preferably out of direct sunlight. Undertake annual checks. Contact the Shoreline "Tech Support Team" if you have any concerns ASAP.

Can I talk to anyone at Shoreline to help make the right decision?
